1. A LIFE OF FAITH IN JESUS

 - To do what Jesus did

PURPOSE // MISSION

2. BUILDING A SAFE COMMUNITY FOR YOUTH

- We desire our community to be a safe place for all youth from across all schools, beliefs and perspectives
- We aim to build a sense of belonging to the group
 - As a critical part of their faith development from belonging – affiliative – doubting – owned
 - Also, many youths in our area do not come from a Christian background and will most likely come to understand grace by first experiencing it in the community (belonging before they believe)

PURPOSE // MISSION

3. HELPING YOUTH FIND THEIR PURPOSE

- We believe Christ has a purpose for his people and His Church. We want to champion the youth and help them step into what is before them with encouragement, guidance, skills and a Kingdom vision

GOD IS AT WORK

We pray we plan, we build, and we sacrifice because we believe that God has sent us to be his church to this group in this land.

We trust that he will use all of the above for his glory and his purposes.

May he strengthen us, provide all we need and protect us from the evil one.
